

The Cuckoo

'Twas on a summer's evening,
I walked the forest through
When suddenly I heard it,
A sweet and low cuckoo

Cuckoo, cuckoo,
Cuckoo, cuckoo cuckoo
Cuckoo, cuckoo,
Cuckoo, cuckoo cuckoo

Mister Moon, Mister Moon
you're out too soon,
The sun is still in the sky.
Go back to bed and cover up your head
Wait 'till the night draws nigh.

Baby in the Cradle

The baby in the cradle goes
rock, rock, rock

The clock on the dresser goes
tick, tick, tock

The rain on the window goes
tap, tap, tap

But here comes the sun so we
clap, clap, clap!

Big Yellow Moon

Big yellow moon shines so bright

make a circle with your hands

Glides across the starry night

move the circle over your head from left to right

Looks down at me

point to self

Asleep in bed

pretend to sleep

Whispers, "Good night, sleepyhead."

shhhh

Big yellow moon, your turn is done

Here comes Mr. Morning Sun

make a circle with your hands

I wake up

stretch out your arms

You go to bed

pretend to sleep

"Sleep well, Moon, you sleepyhead."

shhhh

So they all rolled over and one fell out.

"Roll over, roll over"
So they all rolled over and one fell out.

There were three in the bed
And the little one said,
"Roll over, roll over"
So they all rolled over and one fell out.

There were two in the bed

Good-night!"

Wide Eyed Owl

There's a wide eyed owl

(thumbs and forefingers around eyes)

With a pointed nose,

Hush Little Baby.

Hush little baby, don't say a word
Papa's gonna buy you a mockingbird
And if that mockingbird don't sing
Papa's gonna buy you a diamond ring

And if that diamond ring turns brass
Papa's gonna buy you a looking glass
And if that looking glass gets broke
Papa's gonna buy you a billy goat

And if that billy goat won't pull
Papa's gonna buy you a cart and bull
And if that cart and bull fall over
Papa's gonna buy you a dog named Rover

And if that dog named Rover won't bark
Papa's gonna buy you a horse and cart
And if that horse and car fall down
You'll still be the sweetest little baby in town.

I See the Moon

I see the moon, and the moon sees me
Down through the leaves of the old oak tree.
Please let the moon that shines on me
Shine on the one I love.

Over the mountains, over the sea,
Back where my heart is longing to be,
Please let the light that shines on me
Shine on the one I love.

I hear the lark, and the lark hears me,
Singing a song with a melody.
Please let the lark that sings for me
Sing for the one I love.

Over the mountains, over the sea,
Back where my heart is longing to be,
Please let the light that shines on me
Shine on the one I love.

Stretch Up High

Stretch up high,
as tall as a house

Now curl up small,
as small as a mouse

Now pretend you have a drum

And play it like this:

a rum, tum, tum

Now wiggle your fingers

And stamp your feet

Then close your eyes

And pretend to sleep

Teddy bear, teddy bear,
brush your hair

Teddy bear, teddy bear,
turn out the light

Teddy bear, teddy bear, say
“Goodnight!”

This is the Way

Tune: Here We Go Round the Mulberry Bush

This is the way we

yawn and stretch

yawn and stretch

yawn and stretch

This is the way we

yawn and stretch

On our way to bed

Take a Bath

Read a Book

Hug and Kiss

Close our Eyes

Two Little Eyes

Two little eyes to look around,
Two little ears to hear each sound,
One little nose to smell what's sweet,
And one little mouth that likes to eat.

Two little hands to clap and play,
Two little feet to run all day,
One little heart that beats so true,
And one little baby, I love you!
